Billy-Bob-Joe's Diary-aka the Scarecrow - by Darragh

Well, I, the scarecrow Billy-Bob-Joe, have been new enough around the best school in the world. Well, that's probably just my opinion. But I bet you guys think that's true. I've heard the news about the Bride Rovers against Castlelyons county final. I can't believe it was postponed. I think they could have played on, but hey, now you have some time to do a bit of decorating.

Guys, I'll let you in on a little secret - Okay! Okay! It might be the most interesting thing you've ever heard, but no need to start jumping about in your seat. Sit down, take a chill pill. Okay, here goes - I'm magical! Well I used to be. In medieval times, people thought that I warded off evil spirits from taking over your house.

Oh look at the time. It might feel like you've been reading my diary for only a few minutes but you have been actually reading for hours. Now it might be different on the clock but trust me, it's broken. Don't look at it for the rest of the day.

Thanks for reading, talk again soon.
Your friend Billy-Bob-Joe!

Bride Rovers County Final - by Aj Daunt
